

INTRODUCTION OF YAYASAN GENERASI GEMILANG (GG FOUNDATION)

Persatuan Kebajikan Generasi Gemilang (“PKGG”) would like to extend our heartfelt thanks and gratitude to all clients, partners and volunteers who have supported and journeyed with us for the last 5 years. In that time, we have grown and achieved much together.

In keeping with the growth and expansion of PKGG, all activities are now taken over by a charitable foundation known as **YAYASAN GENERASI GEMILANG** (GG Foundation) effective March 1, 2015.

Yayasan Generasi Gemilang is a charitable foundation incorporated as a company limited by guarantee under the *Companies Act*, 1965. It is under the supervision of the Companies Commission of Malaysia (Suruhanjaya Syarikat Malaysia (SSM)).

GG continues to operate in its current structure and will be governed by a Board of Trustees. All phone contacts, emails, office and web addresses remain unchanged. Although we are officially known as a corporation instead of a society, our people, passion and commitment to raise an exemplary next generation and strengthening families in this nation remains at the center of our vision.

Establishing the foundation enables us to continuously pursue our vision by improving service quality to all clients, partners and volunteers. We are able to contribute more and invest in the lives of the people we serve to further the altruistic mandate of the foundation.

We hope that we can continue to partner with you in this endeavor of promoting life transformation initiatives and fostering socially responsible citizens. It is with your support that we are able to continue realising our vision of raising an exemplary next-generation and building stronger families for a better Malaysia.

Yours faithfully,

Daniel Tan

Founder
